

What to do... Careers

At Dixons Broadgreen Academy, our mission is to provide all students with a first-class education; one that opens every door in their adult life to maximise their life chances in the future.

We are committed to empowering every individual so that they fulfil our mission of ensuring every student succeeded at University or real life alternative, thrived in a top job and lived their best life. Students and staff are committed to three core values that underpin who we are and how we behave:

Work Hard

Whatever it takes for as long as it takes and never give up.

Have Integrity

We do the right thing because it's the right thing to do. We support each other without excuses.

Be Fair

We play by the rules, we are polite, courteous and fair with everything we do.

Our drivers of 'mastery, autonomy and purpose' ensure all students are intrinsically motivated to achieve their full potential and to see the doors education can open. All of our artefacts in school support this mission. In addition, our comprehensive careers plan below makes opportunities explicit.

Careers Lead: Mike Farrell

Senior Leader responsible for CEIAG: Claire McKendrick

Review Date: 16/09/21

	Cycle 1	Cycle 2	Cycle 3
