

Policy Documentation

Admissions and appeals for the admission year 2022-23

Responsibility for review: Executive Principal

Date of next review: November 2021

Document created: 19 November 2021

Admissions

Statement of Policy

The Academy is committed to:

- admitting an intake, reflective of all communities;
- resolving a situation where there may be more applications than places available;
- providing a consistency of approach in a potentially emotive area;
- demonstrating that we are applying our oversubscription criteria equally and fairly;
- ensuring that children with special educational needs and disabilities, and vulnerable children are not treated less favourably than other applicants;
- working collaboratively with all schools within the Liverpool local authority to improve behaviour and reduce exclusions by participating in the creation of and adhering to the Fair Access Protocol.

The aims are:

- to ensure that places are awarded fairly and openly;
- to ensure that all prospective parents are aware of the admissions procedures;
- to guarantee that all legitimate applications will be processed efficiently and within an agreed time span;
- to demonstrate that our procedures comply with the School Admissions Code;
- to provide an appropriate appeal procedure for those who are dissatisfied with the outcome of their applications which complies with the School Admission Appeals Code.

Procedures for Year 7 entry

The admission arrangements are:

- a) There are 210 places available.
- b) Applications for places at the Academy will be made in accordance with the local authorities Coordinated Admission Scheme, as published on local authorities' websites and on Liverpool Local Authority's [website](#). Where the Academy receives more applications than places available, the oversubscription criteria for admission will apply.
- c) Applications must be made on the Common Application Form (CAF) provided by the local authorities by the stated deadline.

Oversubscription criteria

The oversubscription criteria used below is based on the priority order that was set for community secondary schools by Liverpool local authority for the academic year 2022-23.

The Academy will admit up to 210 children in the relevant age group each year if sufficient applications are received. All applicants will be admitted if 210 or fewer apply.

If the Academy is oversubscribed, after the admission of children with an Education, Health and Care Plan, where the Academy is named, priority for admission will be given to those children who meet the criteria in the order set out below:

- a) Looked-after children or children who were previously looked-after. See note 1 for a definition of these terms.
- b) Children who have *exceptional* social or medical need, supported by a written recommendation from the child's paediatrician/consultant or a professional from Children's Services. The recommendation must explain why the school is the only suitable school to meet the child's needs and why no other school could provide the appropriate support for the child.
Consideration under this criterion will be decided based on the information received. See note 2 for how to apply.
- c) Children whose siblings live at the same address, currently attend the Academy and will continue to do so on the date of admission (see note 3 for a definition of sibling).
- d) Children on the basis of proximity to the Academy using straight line measurement from the child's permanent home address (see note 4) to the main entrance of the school.

If demand exceeds places at points b), c) or d), the decision of who will be offered the place will be made by using a computerised random number generator programme (see note 5).

Notes

1. A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

A previously looked-after child is a child who, immediately after being looked-after, became subject to adoption, a child arrangements order or special guardianship order including those who appear (to the Governing Body) to have been in state care outside of England¹ and ceased to be so as a result of being adopted.

2. Applications must be in the form of a letter or e-mail to the Governing Body of the Academy, sent via the Admissions Officer, and accompanied by the supporting information described above.

The e-mail or letter is required in addition to the submission of a completed local authority application form.

3. In addition to brothers and sisters, the term sibling includes half, adopted, step, or foster brothers or sisters *living at the same address* as a family unit.

4. 'Home address' refers to the child's permanent home at the time of admission. Where the child lives with split parents who have shared responsibility, the correspondence address for child benefit will be used to determine the child's permanent address. Proof of residency may be required at any time during or after the allocation process.

5. All applications will be allocated a random number of between 1 and 8 that contains up to 7 decimal places. The numbers will be allocated by a computer programme and ranked from the smallest number at the top to the biggest number at the bottom.

The randomisation process will be supervised by an independent clerk of the independent appeals panel.

¹ A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society.

Calendar for admission

September 2021

Local authority guidance and common application form (CAF) is made available.

31 October 2021

Deadline for receipt of:

- local authorities' common application forms.
- letters or e-mails and any documentation in relation to applications under exceptional need.

1 March 2022

Local authorities write with offers made to parents for all schools in their schemes.

In the event of oversubscription, those children who cannot be offered a place will automatically remain on the waiting list at the Academy until the end of December.

Procedures for Sixth-Form entry

There are a total of 200 places in sixth-form (years 12 & 13); with 100 places specifically for Year 12. All applicants who meet the entry criteria will be admitted if 100, or fewer, apply.

The Academy's Year 11 students who meet the required entry criteria, can progress automatically into Year 12. If fewer than 100 of the Academy's Year 11 students progress to sixth-form, external applicants will be admitted up to the overall Year 12 capacity.

Full details of the minimum and/or specific course entry requirements will be published in the sixth-form information that is available annually. Students not currently on roll at the Academy who wish to join sixth-form must complete a sixth-form application and return it to the Academy by the advertised deadline date.

In-year admissions

- There are 210 places in years 7 to 11 and 100 places in each of years 12 & 13.

Where vacancies occur, places are not offered based on the length of time names have been on the list. They are filled in coordination with the local authorities and in line with the oversubscription criteria stated above. It is, therefore, possible that a child may be added to the list who qualifies more highly within the criteria than children already on the list because each time a child is added, the list will be ranked again in line with the published oversubscription criteria. Looked after children, previously looked after children, and those allocated a place at the school in accordance with a Fair Access Protocol (explained below) take precedence over those on a waiting list.

If you wish to move your child from another secondary school within Liverpool to Dixons Broadgreen, please speak to your child's current school to instigate an in-year transfer. Your child's school will then contact the Academy to see if a place is available and advise you of the outcome.

If you are new to the city, your child attends a school in another local authority, or your child is returning from home education, please apply via Liverpool City Council Admissions department [website](#) or contact them on 0151 233 3006.

Fair access protocol

All local authorities must have a Fair Access Protocol, which the Academy is required to be part of, to ensure that access to education is secured quickly for children who have no school place. Children who are dealt with under the protocol are likely to be the most vulnerable or present challenging behaviour and who cannot reasonably be managed through the normal admissions process. Children admitted through the protocol may be placed into a year group which is full and will take precedence over other children on the waiting list. It is the local authority's decision to determine which children are dealt with by the protocol and the Academy is obliged, as are other schools within the district, to admit a proportion of these children.

Admission of children outside their normal age group

Parents may request that their child is admitted outside their normal age group, for instance, where the child is gifted or talented or where a child has suffered from particular social or medical issues impacting his or her schooling.

When such a request is made, the Governing Body will make a decision on the basis of the circumstances of the case and in the best interest of the child concerned, taking into account the view of the Principal and any supporting evidence provided by the parent. The process for requesting such an admission is as follows:

Parents should submit an e-mail or letter to the Governing Body to request that the child is admitted to another year group (stating which year group) and the reasons for their application. Enclosed with this should be any evidence in support of their case; some of the evidence a parent might submit could include:

- information about the child's academic, social and emotional development;
- where relevant, their medical history and the views of a medical professional;
- whether they have previously been educated out of their normal age group; and
- whether they may naturally have fallen into a lower age group if it were not for being born prematurely.

The Governing Body will advise the parent whether the request for admission out of age group has been agreed or the reason for any refusal. Where the Governing Body refuses such a request, there is no right of appeal against a refusal to offer a place in the preferred age group. The right of appeal only applies against a refusal of a place at the Academy.

Waiting lists and appeals

Waiting lists

If your child is not offered a place at the Academy for Year 7, your child's details will automatically remain on the waiting list until the end of December i.e., one term after the start of the year. You will need to contact the Academy in January to ask for your child's details to remain on the waiting list.

For in-year applications, the details will remain on the waiting list until the end of the academic year (July). You will need to make a new school transfer application in early July if you wish for your child to be placed onto the waiting list for the next academic year.

Where places become available, they will be filled in accordance with the oversubscription criteria.

Appeals

All applicants refused a place have a right of appeal to an independent appeal panel constituted and operated in accordance with the School Admission Appeals Code. This is a legal process and places are not 'reserved' for appeal panels to offer.

If you are considering an appeal, please contact the Academy for further information.
