Please note

Students will be invited to attend science, maths and English revision. Only these students will be able to attend due to staffing numbers.

For all other subjects, we encourage all students who take those subjects to attend the revision sessions on offer:

- French
- Spanish
- Photography
- PE
- Drama
- RS

Students will need to arrive on time to be able to enter the school premises and will be expected to sign in and out using the Inventory system when they are in school.

We hope that we will be able to offer additional sessions in the lead up and during the examination season.
